USET SPF Alert

4/12 Deadline for Submitting Tribal Enrollment Data to Inform American Rescue Plan Allocations to Indian Country

Dear USET SPF Membership,

As announced in an April 5th Dear Tribal Leader Letter [linked], the Department of Interior (DOI) is collecting current aggregate Tribal enrollment data to inform American Rescue Plan (ARP) funding allocations for Tribal Nations.

To guarantee timely, equitable, and accurate distribution of program funds provided under the ARP, Indian Affairs is requesting the completion of the enrollment data collection form [linked], which should be submitted to regional contacts (information below) by 9:00pm ET on Monday, April 12, 2021. According to DOI, once Regional offices have received Tribal enrollment data, the data will be securely compiled into an aggregated report by the Central Office.

To submit the enrollment data collection form to the Eastern Region or if you have any questions, please contact Eastern-Data@bia.gov or 615-564-6500.

For questions or concerns, please contact USET SPF Policy Analyst, Sisy Garcia at sgarcia@usetinc.org.
