

Resolution No. 1-75

United Southeastern Tribes Standing Committee on Alcoholism

A resolution in opposition to any unrequested and unsanctioned intervention in USET Alcoholism Programs.

WHEREAS: there is in existence a USET Standing Committee on Alcoholism, responsible to the USET Board of Directors for the full implementation of all USET level alcoholism projects, and management and validation in accordance with USET staff policy, by virtue of USET Resolution No. 72-11; and

WHEREAS: this Standing Committee represents each of the tribal alcoholism programs and tribal councils by virtue of its composition; and

WHEREAS: this Standing Committee is aware of the needs and problems of each tribe in the area of alcoholism and mental health,

THEREFORE BE IT RESOLVED, that any unrequested intervention in USET alcoholism and mental health programs from organizations or individuals must receive the sanction of the Standing Committee on alcoholism or the individual tribes involved prior to the onset of the intervention. Interventions include, but are not limited to, evaluation, research and counselor certification projects.

CERTIFICATION

This is to certify that a meeting of the USET Standing Committee on Alcoholism properly convened and held in Sarasota, Florida, August 13-15, 1974, the above resolution was duly adopted.
