

Energy

- First-ever Inter-Tribal Energy Tech Tour with Native Youth + additional Energy & Tech News from IC
- Article: "The House Natural Resources Committee approved H.R. 1548, the Native American Energy Act, at a markup on Wednesday. The bill includes a provision that bars the Interior Department from regulating hydraulic fracturing on Indian lands without the "express consent" of the Tribe or the individual Indian owner."
- The Senate Committee on Indian Affairs will hold a Roundtable on Energy Development in Indian Country on *Wednesday, June 5th from 1:00 p.m. to 3:00 p.m.* in the hearing room (628 Dirksen). The purpose of the roundtable will be to hear legislative recommendations from Tribal leaders and interested parties.
