- UPDATE from NARF: The Court issued two opinions yesterday and three opinions today, including an opinion in BG Group v. Argentina which was argued the same day as Michigan v. Bay Mills (December 2, 2014). The Court is sitting in conference this Friday (March 7), and will be holding a non-argument session next Monday (March 10) at which time it will likely issue additional opinions. If no opinion is issued in Michigan v. Bay Mills next Monday, then we will have to wait until the Court returns for its next argument session which is scheduled to begin on Monday, March 24.
