

United Southeastern Tribes, Inc.

Resolution No. USEP-2-72

A USEP Resolution Supporting the Choctaw Tribe in Their Efforts to Obtain Their Comprehensive Health Center

WHEREAS, the Indian Health Service, United States Public Health Service, has received \$240,000.00 from Congress to plan a comprehensive health center for the Mississippi Band of Choctaw Indians, and

WHEREAS, the Mississippi Band of Choctaw Indians have several health problems including TB, diabetes, high infant mortality, poor nutrition, alcoholism, and other major diseases or problems, and

WHEREAS, the need for a comprehensive health facility has been documented by the Indian Health Service for the past decade, and

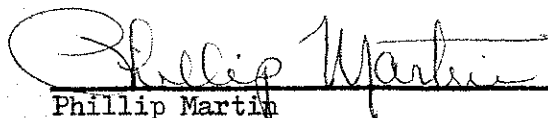

WHEREAS, the office of Management and Budget is currently holding the already allocated funds in suspension, now be it further

RESOLVED that the USEP organization does commit itself to record of its support of the proposal facility,

AND BE IT FURTHER RESOLVED, that the USEP organization solicit the support of congressional representatives, NCIO, NCAI, and others for the release of this planning money designated for the Choctaw Comprehensive Health Center, for the Mississippi Band of Choctaw Indians.

CERTIFICATION

The foregoing resolution was adopted at a regular meeting of the United Southeastern Tribes, Inc. legally and duly held at Atlanta, Georgia on March 1-3, 1972.
