

USET RESOLUTION NO. 74-36

OPERATION AND MAINTENANCE OF RESERVATION UTILITY SYSTEMS

WHEREAS, IHS has expended large sums of funds to construct water and sewer facilities on Indian reservations in the USET, Inc. area, and

WHEREAS, preliminary studies show that there is not an economic base adequate to fully fund the operation and maintenance of water and waste facilities in the United Southeastern Tribes, Inc. area, and

WHEREAS, the tribes are unable to adequately provide technical and financial resources to operate and maintain water and waste facilities on their reservations,

NOW THEREFORE BE IT RESOLVED that USET request that Indian Health Service provide technical and financial resources required to meet the needs of each utility system in excess of the reasonable fiscal base available from the tribe.

CERTIFICATION

This is to certify that at a meeting of the Board of Directors of the United Southeastern Tribes, Inc., properly convened and held in New Iberia, Louisiana on November 13-15, 1974 the above resolution was adopted.
