

UNITED SOUTHEASTERN TRIBES, INC.

Resolution No. 76-16

Proposal for a Component to Support Tribal Health Program Management and Development Capabilities

WHEREAS, United Southeastern Tribes, Inc. (USET), has placed continuous emphasis on Tribal development and management of health service operations; and

WHEREAS, the process of self-determination has a history within this membership and has now reached a point where Indian involvement in health care delivery is at a high level; and

WHEREAS, the development of management capability is of foremost concern to United Southeastern Tribes;

NOW THEREFORE BE IT RESOLVED that this component be identified as part of the Community Health Department of USET, Inc. and that its over-all goal be:

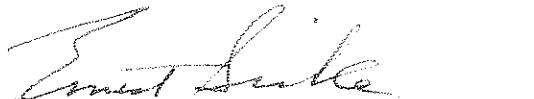

Tribal management of their respective health delivery system in a manner based on sound administrative practices and responsive to Tribal membership.

CERTIFICATION

This is to certify that, at a meeting of the Executive Committee of the United Southeastern Tribes, Inc., properly convened and held in Nashville, Tennessee on February 18-19, 1976, the above resolution was duly adopted.
