WHEREAS, the United South and Eastern Tribes, Inc. is an inter-tribal organization formed to promote the common welfare of its member tribes, including tribal housing needs; and

WHEREAS, there are directives requiring the Department of Housing and Urban Development (HUD) field representatives to be involved in sight selections, inspections and oversight activities during the Development Phase of our projects; and

WHEREAS, there are continually new directives being issued by HUD implementing new programs and changing the scope and interpretations of existing programs; and

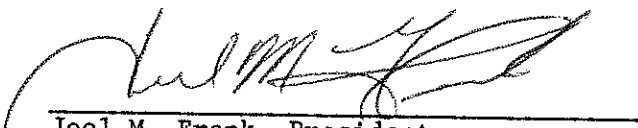

WHEREAS, at present, the travel budget for HUD field representatives is such that many times they are curtailed from being present to assist Indian housing authorities, even at required inspections; and

NOW, THEREFORE, BE IT RESOLVED THAT the USET Board hereby requests of the Secretary of Housing and Urban Development that a full review of amounts budgeted for travel of personnel be conducted and adjustments made to assure that HUD field representatives are able to fulfill their full responsibilities, as outlined in the regulations.
