Resolution No. 91-12

USET REAFFIRMS COMMITMENT TO THE LANGUAGE AND SPIRIT
OF P.L. 100-472

WHEREAS, the United South and Eastern Tribes, Incorporated (USET) is an inter-tribal organization comprised of nineteen (19) federally recognized tribes; and

WHEREAS, the USET, Inc. Board of Directors has previously expressed its complete support, endorsement of, and commitment to participate in the writing of federal regulations pursuant to P.L. 100-472, the Indian Self-Determination Act Amendments of 1988; and

WHEREAS, the USET organization is concerned that the best interests of Indian people and Indian Tribes may be in danger from the continual federal attempts to limit Indian participation and by the federal drafting of regulatory language which limits the intent of P.L. 100-472 (as amended).

, THEREFORE, BE IT RESOLVED THAT the USET Board reaffirms its commitment to the language and spirit of P.L. 100-472 and to the full and continuous participation of Indian tribes in the regulation drafting process; and.

BE IT FURTHER RESOLVED THAT the USET Board opposes any regulation language which would limit the rights and privileges granted to Indian tribes and assured by P.L. 100-472 including, but not limited to, the contracting of federal programs.
