

UNITED SOUTH AND EASTERN TRIBES, INC.

Resolution No. 91-20

Support the establishment of a training and technical assistance center
at a tribal site

- WHEREAS, the United South and Eastern Tribes, Incorporated (USET) is an inter-tribal organization comprised of nineteen (19) federally recognized tribes; and
- WHEREAS, the actions taken by the USET, Inc. Board of Directors officially represent the intentions of each member tribe, as the Board of Directors is comprised of delegates from the member tribes leadership; and
- WHEREAS, USET has created the Health Directors Committee for the purpose of providing the Board of Directors with information and recommendations regarding health policies; and
- WHEREAS, the Health Directors Committee at the request of the Tribal leaders attending the Northeastern Tribal Meeting on Oct. 23-24, in Mystic, CT have prepared this resolution for USET consideration; and
- WHEREAS, the abovementioned tribal leaders have collectively expressed their concern for the need to enhance training and technical assistance in the Northeast Region;

THEREFORE BE IT RESOLVED that the USET Board supports the concept proposed by the Northeast Tribal Leaders and Health Directors that a training and technical assistance center be established at a tribal site; and

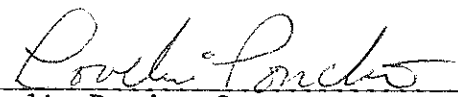

BE IT FURTHER RESOLVED that the purpose of this center would be to coordinate, and assist in the provision of training for the Tribal Health & Human Service staff as well as the coordination of inter-tribal sharing expertise and knowledge among tribal staff; and

BE IT FURTHER RESOLVED that the Board assist and support the Northeast Tribal Leaders and Health Directors to establish a task force to investigate the organization and funding of such a center a concept providing groundwork for similiar facilities in other regions.
