Behavioral Health RPMS Training

APRIL 30 - MAY 1, 2020
USET & IHS NAO HEADQUARTERS
711 STEWARTS FERRY PIKE
NASHVILLE, TN 37214

Objectives are:
- Maximize utilization of behavioral health data systems for improving reporting on patient care interactions
- Gain experience inputting and analyzing data during interactive sessions
- Improve awareness and accessibility of various behavioral health screenings
- Collaborate with USET Tribal Nations on system utilization and best practices

A limited number of stipends to assist with travel costs are available for USET Tribal Nation staff on a first-come-first-serve basis.

For questions or concerns, please contact Lauren Burns at lburns@usetinc.org.
