Subject: Tribe Leaders Call w/ Leader Schumer 06/10/2020

Hello,

Leader Schumer, Sen. Murray, Sen. Wyden, Sen. Udall, and Sen. Smith invite you to join a call to discuss the impacts of COVID-19 in Indian Country on **Wednesday, June 10th at 1:30PM**.

While the Senate continues to push for more pandemic relief, we realize that it is important to hear from tribal leaders what has worked in the previous relief packages, what has not been helpful, and what additional actions we need to take moving forward to ensure Tribal governments have the necessary resources to keep their citizens safe.

Due to space constraints, this call will be only for tribal leaders and one relevant staffer. Please RSVP directly to me directly and I will send the call information. The call will be off-the-record in hopes to keep the conversation transparent and candid.

Please send your comments/questions to me in advance. We will be working on a queue prior to the call. Deadline to submit comments/questions will be Tuesday at 1PM.

If you have any questions in the meantime, please feel free to reach out to me or Veronica Watters (veronica_watters@schumer.senate.gov).

Best,

Sol Ortega
