Please help us spread the word!!

Thanks,  
Julie

All,

**My name is Robert Romero, and I am a retired Special Agent of the U.S. Fish and Wildlife Service. I am working as a Conservation Law Enforcement Officer (CLEO) Consultant for the Native American Fish and Wildlife Society and want to inform you and other staff members of virtual training opportunities that are currently available to CLEOs.**

**Officers can view a 2-day, recorded webinar, Verbal De-escalation Training for Conservation Law Enforcement, Surviving Verbal Conflict; and will soon be able to view the 1-day recorded webinar, Implicit Bias – Understanding its Impacts on Actions and Decisions, see <https://nafws.org/conservation-law-officer-training/register-for-recorded-online-certification-training-for-cleos>.**

**Those who wish to participate must first register with the Society by completing a registration form,**

**[https://nafws.org/images/announcements/2019/2020/Fillable\\_Registration\\_for\\_Recorded\\_Online\\_Certification\\_Training\\_Romero\\_edits.pdf](https://nafws.org/images/announcements/2019/2020/Fillable_Registration_for_Recorded_Online_Certification_Training_Romero_edits.pdf) , and emailing the form to Karen Lynch, [klynch@nafws.org](mailto:klynch@nafws.org), by September 25, 2020. Once we have a list of participants, I will send each of them the access information that is specific to each training session.**

**Additionally, I'm developing a national database with CLEO names/contact information and will use that list to notify officers of future training opportunities sponsored by the Society. I may potentially make a request for certified instructors to participate in Regional or National NAFWS Conferences once we are able to have in-person training.**

**Where applicable, can you please provide the following information for all your officers for the database:**

- 1. Full name of officers/supervisors**
- 2. Work address**
- 3. Work and cell numbers**
- 4. Email**
- 5. Any type of instructor certifications for officer(s)**

If you have any questions regarding this email, please feel free to give me a call or send me an email and I will gladly address any concerns.

Thank you,  
Robert
