

USET SPF Temporary Change of Address

Dear USET SPF Board of Directors and DC Tribal Reps,

As you may be aware, we have been subleasing a small amount of office space within a suite of offices at 400 North Capitol Street NW in Washington, DC since USET SPF was established. Due to the ongoing public health emergency caused by COVID-19, the primary leaseholders have opted not to renew the lease on this space. Since we remain on telework until further notice, USET SPF has chosen not to sign a lease on any new office space at this time. We will continue to monitor the COVID-19 situation locally and resume regular, in-person work, along with a lease on new DC office space, when it is safe to do so.

In the meantime, please utilize the USET Headquarters address in Nashville, TN for any written communications with USET SPF. Additionally, our staff can be reached via telephone using our cell phone numbers, which can be found in our email signatures.

We wish you well, appreciate your understanding during these uncertain times, and look forward to the day when we can return to a physical office.

Thank you,

Liz

Because there is Strength in Unity

USET/USET SPF staff are currently teleworking until further notice. We will continue to assess the COVID-19 situation and its impact on our operations. We ask for your patience should you experience any challenges reaching any one of our staff. Additionally, please be aware that the USET/USET SPF organization has created a COVID-19 Resource & Information page which is being updated on a frequent basis. <https://www.usetinc.org/wp-content/uploads/2020/03/Coronavirus-Disease-LB.pdf>
