

USET Has a NEW App! Download it TODAY!!

Watch the Instructional Video Here

The USET app is an easy to use resource to stay abreast of the most current news, information, and activity regarding our organizational advocacy and programmatic support services. Via this app, you will learn about the issues of greatest impact, concern, and interest to USET Tribal Nations and Indian Country at large. In addition, it is a valuable tool to optimize your experience during our yearly USET and USET SPF Board of Director Meetings.

Search **USET, Inc.** on Apple iTunes App Store (<https://itunes.apple.com/app/id1225503754>) or Google Play (<https://play.google.com/store/apps/details?id=com.attendify.conf2n5ch2>) TODAY. Or hold your smartphone over the barcode below in your QR Code Reader and scan it to be automatically taken to the USET App for download.
