LIVE WEBINAR

INDIAN COUNTRY AND TAX REFORM: WHAT HAPPENED, WHAT'S NEXT AND WHAT CAN WE DO?

You are cordially invited to join Holland & Knight's [Native American Law Group](#) as we break down the biggest overhaul to the tax code in more than 30 years and how Indian Country stands to benefit. We will discuss many of the opportunities available in the Tax Cuts and Jobs Act, signed into law on December 22, and what tribal leaders can do to take advantage of them.

Our presenters will discuss:

- the status of tribal governments under the Tax Cuts and Jobs Act
- tribal member exclusions, deductions and tax rates
- tax incentives for private investment and economic development on reservation lands

This webinar is designed for tribal elected officials and senior staff, including chief financial officers (CFOs), tribal attorneys, economic development directors and policy professionals.
