Social Services

- [Safety Planning for Survivors of Domestic and Sexual Violence: A Toolkit for Homeless/Housing Programs](#)
- [Report: What the New Poverty Data Tell Us About Addressing Domestic & Sexual Violence](#)
- [StrongHearts Native Helpline Database is an internal referral database of Native-centered domestic violence programs and direct service providers. This database is used to connect callers to Tribal or community programs and the services they need. If you would like for your agency to be considered for inclusion in this database, submit your information by clicking here](#)
