

UNITED SOUTHEASTERN TRIBES, INC.

RESOLUTION NO. 74-07

RE: Effective monitoring and supportive evaluation of the mental health and alcoholism programs of the United Southeastern Tribes for more effective feedback and support services.

WHEREAS, the alleviation and/or control of mental health problems and alcoholism affecting the respective communities of the tribes of United Southeastern Tribes Inc. is one of the top priorities of the United Southeastern Tribes, Inc. organization and,

WHEREAS, effective programing to deal with these problems must be monitored and evaluated on a continuing basis to be able to provide quality services; and,

WHEREAS, the provision of support services by the United Southeastern Tribes, Inc. organization to the local mental health and alcoholism programs, is contingent on an on-going assessment of the needs of these programs; and,

WHEREAS, there is a need for more specific data to be able to determine these needs; and,

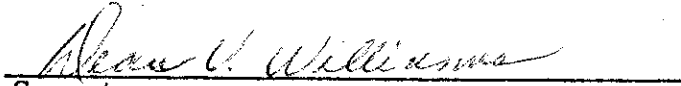

THEREFORE BE IT RESOLVED that the Executive Committee of the United Southeastern Tribes, Inc., Board of Directors do hereby endorse the development and submission of a proposal to Indian Health Service for an mental health evaluation project to be implemented by the Human Services department of United Southeastern Tribes, Inc.

CERTIFICATION

This is to certify that at a meeting of the Executive Committee, Board of Directors of the United Southeastern Tribes, Inc., properly convened and held in Cherokee, North Carolina October 3-4, 1974, the above resolution was duly adopted.
