Resolution No. 94-17-DC

**ELDERLY RENTAL PAYMENT**

**WHEREAS**, the United South and Eastern Tribes, Incorporated (USET) is an inter-tribal organization comprised of twenty-one (21) federally recognized tribes; and

**WHEREAS**, the actions taken by the USET, Inc. Board of Directors officially represent the intentions of each member tribe, as the Board of Directors is comprised of delegates from the member tribes leadership; and

**WHEREAS**, those eligible elderly handicapped and disabled applicants/participants have a fixed income with little chance for significant increase in income; and

**WHEREAS**, it is a primary function of the IHA's to provide safe, decent and affordable housing for the elderly; and

**WHEREAS**, the current system of rental payment determination is a hardship depriving many of our participants with their basic needs, such as food, clothing and medical services.

**NOW, THEREFORE, BE IT RESOLVED** that the Association of Eastern Indian Housing Authorities proposes that the maximum rent payment for the eligible elderly does not exceed the amount determined at time of admittance; and

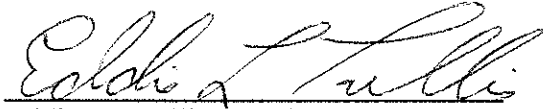

**BE IT FURTHER RESOLVED** that the Association of Eastern Indian Housing Authorities proposes that the multiplier to the determined said rate be reduced and maintained at 15 percent of the adjusted gross income level.
