UNITED SOUTH AND EASTERN TRIBES

Resolution No. 94-39-TN

DETAIL OF AGENCY SUPERINTENDENT FOR EDUCATION

- WHEREAS,** the United South and Eastern Tribes (USET) is an inter-tribal organization comprised of twenty one (21) tribes; and
- WHEREAS,** the actions taken by the USET Board of Directors officially represent the intentions of each member tribe, as the Board of Directors is comprised of delegates from the member tribes leadership; and
- WHEREAS,** The position of Superintendent for Education at the South and Eastern Agency will soon be vacated.
- WHEREAS,** the tribes in the Eastern Area are offended by the practice of placement unwanted individuals into staff positions serving USET tribes. It appears that the Director, Office of Indian Education programs has already picked an individual to place into the position of Acting Agency Superintendent for Education without consideration of the wishes of USET tribes.
- WHEREAS,** The detail of an acting agency superintendent for education from outside the staff of the South and Eastern States Agency is unnecessary and could be counter productive.
- WHEREAS,** Public Law 95-561 requires an Agency School Board be made up of each of the eight school systems under the South and Eastern States Agency. The South and Eastern States Agency School Board has the right to be consulted on staffing for the South and Eastern States Agency Office on both the temporary and permanent positions. The South and Eastern States Agency School Board opposes the proposed detail without consultation.
- WHEREAS,** The USET Board supports the law requiring the BIA to consult with and implement the input of the SESA Board in the selection of the action and permanent Superintendents.

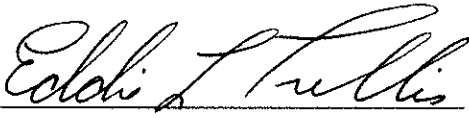

“Because there is strength in Unity”
