USET Resolution No. 2003:055

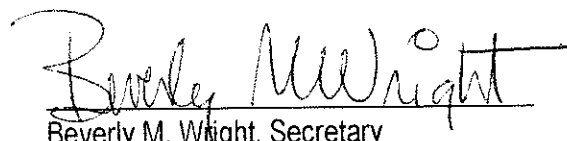

### RENEWABLE ENERGY

- WHEREAS,** United South and Eastern Tribes, Incorporated (USET) is an intertribal organization comprised of twenty-four (24) federally recognized tribes; and
- WHEREAS,** the actions taken by the USET Board of Directors officially represent the intentions of each member tribe, as the Board of Directors comprises delegates from the member tribes' leadership; and
- WHEREAS,** USET believes it is in the best interests of tribal economies and the economy of the United States to promote and develop dependable sources of renewable energy; and
- WHEREAS,** the development of renewable energy sources will have a positive effect on the environment and help preserve our homelands for the seventh generation; therefore, be it
- RESOLVED** that the USET Board of Directors supports the provisions in H.R. 4 pertaining to Indian tribes and calls upon Congress to enact legislation that promotes the development of renewable energy sources in Indian Country and elsewhere; and, be it further
- RESOLVED** that the USET Board of Directors calls upon all agencies of the Federal Government to purchase renewable energy and the environmental attributes of renewable energy ("Green Tags") from Indian tribal generation projects.
